

FOUNDATIONS WEEK 10 DISCIPLE GUIDE

GOAL-This is a very controversial topic and definitely something that separates us from almost every church out there. We want the person to understand that the world is not ending and the future is not going to be bad...but good, powerful, and exciting. You will not be able to answer EVERY question. Do the best you can and send them some of the blogs Johnny has written.

1. **Page 3**-Ask them if it makes sense. Ask them if they have any questions.
2. **Page 4**-We need to set the stage with one term "Audience Relevance." Who was receiving these letters, who was Jesus talking too. What did it mean for them? Did Jesus lie to them? Did they see or experience these events? Bring up this term and these questions.
3. **Page 7**-Were ALL things fulfilled?
4. **Page 9**-Did the Apostles see the coming? Are they still alive now? :-)
5. **Page 11**-Did all these things take place during that first century generation?
6. **Page 13**-Did everything come upon THAT generation?
7. **Page 15**-This page is in order of when the books were written. As you can see that as it got closer to the fall of the temple in 70 A.D, the time statements get quicker! From you are not far right to I am a partaker!
8. **Page 16**- AND, this all took time during some of the biggest historical events ever.
