

FOUNDATIONS WEEK 12 DISCIPLE GUIDE

GOAL-We want them to understand the power of discipleship and to be willing to be used in others lives.

1. **Page 6**-I want you to focus on the fact that when you choose to be discipled, it will disrupt the status quo in your life. Your destiny is different then what you are currently experiencing right now.
2. **Page 8**-Discipleship also empowers. We have to be good at empowering people to do things beyond what they THINK (but really are) capable of.
